GENERAL AND REVENUE SECRETARIAT

Serial Nos 1-4

Part B for August 1942

SUBJECT.

Re the purchase of Gandhi Bermuda jewels and Public Service medals

Submitted.

The Birthday of His Highness falls on 22nd July 1943 and action has therefore to be taken to replenish the stock of Gandabherunda Jewels and Public Service Medals that may be required for presentation during the Birthday Durbars.

The following statement shows the number of jewels and medals in stock:-

GANDABHERUNDA JEWELS:	Spl. Class	nil.
	A	1
	B	1
	B.2	1
	C	6
	D	6
PUBLIC SERVICE MEDALS:	I	5
	II	4
SCOUT SERVICE MEDALS:		2

The prices of gold and gems are soaring very high owing to war conditions. The value of the sovereign had gone up to Rs.75/- recently in the local market In view of this, it seems necessary to order for the present only the minimum number of jewels and medals that are likely to be required for presentation during current year It may perhaps suffice if two B-Class jewels and three B.2-Class are ordered for the present

As regards Public Service Medals, five I Class and six II Class may be ordered so as to bring the total to ten in each. Three more Scout Service medals may perhaps be /

S 228

ordered. The total number of jewels and medals that would be available, if the above proposal is approved, will be as under:-

Jewels -	Spl. Class	nil.
	"A"	1
	"B" ,,	3
	"B.2." ,,	4
	"C" ,,	6
	"D" ,,	6
Public service Medals	I Class	10
	,, II ,,	10
Scout Service Medals	..	5

It is for orders if action may be taken to call for quotations from ~~the~~ firms for the supply of these jewels and medals.

Dear Sir,

We received a communication from you on the 7th instant calling for estimates for some Jewels of the Order of the Gandabherunda as well as for some Public Service Medals. Our Senior took this up at the time but was unfortunately indisposed for a few days, and on returning to office has not been able to place his hands on that communication. It has somehow gone astray, and we hasten to write and ask if you could kindly send us a copy of it in order that we may attend to it immediately. We are very sorry to trouble you but it seems extraordinary that the letter cannot be found.

Dear Sir,

We thank you for your letter No.4788-95/CB of 4th May date requesting us to quote for some Gandabherunda Jewels.

We have quoted for these jewels for several years without getting an order, and last year in order to see whether our quotation was really seriously considered we actually quoted less than our cost price, but were told that these jewels could be bought still cheaper.

It is absolutely impossible to supply goods with the weight of gold needed and the quality of stones asked for at the price apparently at which you can get them in Bangalore.

We are most anxious to get your business but having quoted once at less than our cost price, it seems useless quoting again. If quality for quality can be considered, then we will be pleased to do our utmost to please you.

A few years ago, the gandabherunda Jewels I had as supplied by M/s. P. ORR & Sons were not up to the mark, and the stones & gold used for the Jewels were not genuine. When they were informed of this, they exchanged the Jewels. Ever since that year, no quotations were called for from this firm. It is only for the last 2 or 3 years, quotations were being called for from this firm. The letters received in this connection

Dear Sir,

We beg to thank you for your kind courtesy in favouring us with a copy of your letter No.4788-95/C.B. dated 4/6th May 1943 which you have sent us with your letter No.4884/C.B.642 dated the 13th May 1943.

It is with regret that we write to say we are unable to quote for the "B" and "B.2" Class Jewels, because our stock of good quality small diamonds is so very low just now, that we will not have sufficient to undertake this work. We have not been able to import any diamonds for some considerable time owing to War conditions and the price in the Indian Market is so abnormally high as to make it altogether out of reason to make purchases until such time as the diamond market falls. We have always been careful to give good quality stones for such Jewels as we have hitherto supplied to the Government of His Highness The Maharaja of Mysore, but as the same quality stones

cannot now be supplied except at exorbitant prices, we feel it is useless to quote, particularly as the cost of gold has also advanced so heavily. We are quoting on this occasion therefore only for the Public Service Medals of which we happen to have our own Dies, but here also you will see a very great difference in price when compared with what we used to charge some years ago.

The cost today of Public Service Medals of the First Class in 22ct. gold weighing 2½ Sovereigns each will be £ 168/- nett as against £ 65/- about 10 years ago, and similar Medals of the Second Class will cost £ 106/- as against £ 48/- which we charged in 1932.

We venture to suggest that as the price of gold is so abnormally high the standard of these Medals should be reduced from 22ct. to 15ct. or even 9ct. gold, and if you would like us to estimate for these standards, we will be glad to do so.

Awaiting your commands, and always at your service,

We are, Dear Sir,

P.S.
Owing to the constant fluctuation in the price of gold, it will be realised that it is impossible to fix the price of the above medals to hold good till 30th May 1943 as mentioned in your letter under reply. If the price falls from to-day's quotations, our prices will correspondingly fall, but if the price of gold rises between this, and the date of placing an order, then our estimate will have to be advanced by the ratio of any additional rise.
